Rollout of healthy food zones in our stores, demonstrating industry-leading growth in LFL sales. We completed a strategically important acquisition of Dixy business and discounter stores showing returns of >50% has triggered the decision to further roll out this format of >50%.

Ongoing energy saving programme of the Company’s external auditor to ensure its independence.

IT landscape upgrade on track, with more than 62,000 daily orders and annual GMV of RUB 11.2 bln.

The Board of Directors introduced the Audit Fees Policy to limit the volume of non-audit fees received by the Company’s external auditor to ensure its independence.

Operations

Redesign of more than 700 Magnit stores (including convenience stores, supermarkets and drogeries) to improve customer value proposition.

Multi-format e-commerce rollout (including dark stores scaling) led to 62,000 daily orders and annual GMV of RUB 11.2 bln.

EBITDA margin improvement to 7.2% in 2021 from 7.0% in 2020.

3 M&As strategic acquisition of Dixy business and two bolt-on acquisitions of Edelweiss and Radezh.

2,281 gross new stores of core formats opened in 2021 vs. 1,292 in 2020.

Full-year GMV of RUB 11.2 bln with more than 62,000 orders daily.

ROIC growth to 16.5% in 2021 vs 13.8% in 2020 vs. 7.9% in 2019 and 20% YoY increase in dividend payment.

Achievements in 2021 vs 2020

>7 days optimisation of WC with RUB 18 bln cash release and working capital turning negative.

3 M&As strategic acquisition of Dixy business and two bolt-on acquisitions of Edelweiss and Radezh.

LFL sales growth of 7.0% in 2021 – second consecutive year of market-leading LFL sales growth.

2021 strategic priorities – We deliver what we promise

In 2021, Magnit delivered significant progress against its strategy. We continued organic expansion and improvement of customer experience in our stores, demonstrating industry-leading growth in LFL sales. We completed a strategically important acquisition of Dixy that strengthened our positions in Moscow and St. Petersburg and improved its profitability.

Corporate Governance

Shareholders approved a new edition of the Articles of Association that expanded the size of the Board of Directors from nine to eleven members.

The e-commerce channel, launched by Magnit in the second half of 2020, quickly gained traction and surpassed RUB 11 bln in turnover for the full year. We also managed to further optimise our working capital cycle and improve return on investments.

2021 strategic priorities – We deliver what we promise

• Improvement of LFL sales growth
• Proactive and opportunistic return-driven consolidation play
• Margin regain
• High returns leading to strong dividend payment
